P.I.C.K. helps expand the vision and explores new avenues of funding which will enable the members to create interest in the Grange. PICK is a 501c3 organization. All Donations to PICK are Tax-exempt.

PICK can partner with your Grange when you need a 501c3 status to accomplish a project. Contact the secretary for details.

Our annual Silent Auction at State Session raises funds that are divided up between six areas:

Specific areas of interest to PICK are as follows:

- **Mandy Project** — We supplement applications received by CSG as needed.
- **Youth and Juniors** — We support educational camps, seminars, workshops and retreats focusing on leadership, strengthening community involvement, developing and enhancing awareness of cultural and social unity specifically for Youth. Granges desiring to start a program needing some financial assistance can apply to PICK.
- **Community Improvement** — We encourage Granges to continue to bring Community Improvement Projects to their community. This includes keeping their building up to date and usable, thus a need for capital improvement projects is in order and we will assist Granges in seeking grants for capital improvement projects. An Emergency project fund has been established. Contact PICK secretary for details.
- **Women's Resources** — Educating the community about safe and proper methods of food preservation is quickly making a comeback. The Grange can be a leader in making sure men and women who are interested in food preservation are educated and well informed. We encourage each Grange to sponsor a food preservation program using a reliable source to conduct the workshop. If funds are needed to obtain a reliable source and your Grange does not have funding you can apply for partial assistance. Proof of completion of the workshop is required. If funds are requested the following information must be included:

Grange Name and Number, Contact Person, Address, Date of workshop, Name of workshop expert, Qualifications of workshop expert. Thirty days following the workshop's completion the Grange

Claudia's Achievement Award

seeking funding must report the outcome of the workshop and provide one photo. This report can be sent via email. We would like to know how many attended the workshop. Funding must be returned if the Grange fails to report within 30 days.

- **Women's Health Issues** — are unique and we encourage you to consider hosting an educational program on a health issue that is important to your community.
- **Creative and Performing Arts** — PICK will supplement prizes for contests open to non-members. We will help Talent participants with travel expenses to the National showcase.

The purpose of the Mandy Project is to help children with hearing loss to become productive citizens and to provide assistance to

Granges who sponsor a special fundraiser or make a donation to the Mandy Project will receive a special certificate at State Convention.

Public Relations has joined with the other State departments/programs (Lecturer, Community Service and Publicity) in the "One Book" submission. Please include your Public Relations submission in the ONE BOOK, due August 25, 2018, and send it to:

Kathy Wardle, State Lecturer
1136 Bluebell Way, Brighton, CO 80601

Clearly identify the section for your publicity material under a separate tab, so that it can be judged at State Session. Judging of your Grange's publicity efforts will be based on:

- Quantity of Information Releases
- Quality of Information Releases (visual, contact info, when, where, what...)
- Variety of public promotions (flyers, radio, newspaper, etc.)
- Social/web Media presence (Web, Facebook, Twitter...)
- Professional submission of this report

In the front section of the ONE BOOK, please include a page and email a copy to Elizabeth Hiner at FloridaGrange306@yahoo.com (clearly identified as Public Relations) which has the following information on it:

Grange (or Pomona) Name
Contact Person along with phone number/email

I encourage each of the Granges to become more visible in your publicity efforts. If interested please contact Larry Corman, who is the State Grange's webmaster — please contact him at Larry_Corman@hotmail.com if you want your Grange to have a presence on the State's website. He is also available for any of your technology needs.
