## COMMERCIAL KITCHENS

Has your Grange ever considered creating a commercial kitchen in your hall for the community where local people could process products to sell?

If this is a dream for your Grange the National Grange is looking to help a few local Granges apply for grants to install commercial kitchens in their Halls. This would be a fantastic community service to build the economy of your area, help individuals to get home businesses started, or help those whose business may have outgrown their home kitchen. A commercial kitchen could help your Grange to be financially sustainable and able to do more to help others in your community. It will certainly help your Grange to become well known in your area. National Grange will help you with the grant application to get started. Call 888-4Grange or e-mail [betsy@nationalgrange.org](mailto:betsy@nationalgrange.org).

## APRIL IS GRANGE MONTH – DO'ERS Campaign

Most Granges are Do-ers. But if you've slacked off and are not doing anything except for occasionally meeting, NOW is the time to start doing something. Invite a speaker in on a topic your community is interested in, Hold a workshop or get together to play some table games. The basic idea is to do something that brings people together to do something.

Tell people about Grange and meet the needs in your community in the name of DO·ing. National Grange would love to hear and post your success stories, but more than anything, the Grange needs you to tell people about the campaign while helping your community.

**Teach me and I  
remember,**

**Involve me and I  
learn**

You are ambassadors for Grange and for this movement, so we need your involvement more than ever over this next year. National Grange will make materials and ideas available for you and your Granges/members this year and need you to get involved in your communities now more than ever, both as an individual and as a Grange. The aim is to get people off the couch and involved in something that will better their lives and the lives of people around them, and we believe this can be done through community service and participation. So, get out there,

Be creative, think outside of the box, and be a DO-er. We can't wait to see what you are DO-ing this year!

If you haven't already started talking about the 150<sup>th</sup> anniversary of the National Grange April would be a good time to start. Do Good, then go tell about it. Promoting Agriculture and Ag education is a common goal and mission among all Granges. Some Granges are sponsoring events called "Come meet your farmer." Grange month material is available and I'd be happy to send you to use. But YOU HAVE TO ASK FOR IT.

**1. Send ideas and progress**

- a. Send the National Grange any questions you may have about what you can DO, what you are planning on DO-ing
- b. Also, send progress about projects that are going successfully and any question you have that could make your projects more successful
- c. Also, send progress if you have a spike in membership to your Granges or anything that is very successful throughout the year

I'm A DO-er buttons are available for \$2.00 each from National Grange. Check out <http://www.jointhedoers.org/about>.

**Nominate a Doer**

Do you know a "Doer" that stands out above the rest? Nominate them to be honored on our website and the official National Grange Magazine Good Day! Enclosed is a copy of the National Grange Proclamation.

**Distinguished Grange Program**

The program honors subordinate and State Granges that fulfill their responsibilities as part of the National Grange, while excelling in areas of membership, fundraising and service to their communities.

The award for being named a Distinguished Grange is presented annually at the National Grange Convention. The 2016-17 Distinguished Granges will be

honored for their work done from July 1, 2016 through June 30, 2017. The postmark deadline to submit your materials to be considered is August 13, 2017 for paper submissions and August 17 for electronic submissions.

Distinguished Granges will be honored at a special reception and will be recognized in the Annual Convention program. They will receive a certificate to commemorate their achievement. Granges that qualify as a Distinguished Grange for five consecutive years will receive a plaque for their hall.

I am not sending the application out this year as I did last year. If you are interested, please contact me and I will send you a copy of the guidelines and application. The guidelines and application are available on the National Grange website.

Enclosed are two forms that we would appreciate your taking the time to complete and return. One is for each member to complete and return and the other is for your Grange.
